

# THE KLINGONS ARE COMING!

The IKV T'Mar: A Community Service / Klingon Fan Club centered on Tacoma open to those (18 or older) who wish to make a difference and have fun. We are a group of Science Fiction fans dedicated to establishing a positive presence in our community through volunteer service and fund raising activities. We make ourselves available to visit hospitals, schools, movie premiers and book stores - anywhere we can help.

## Come see the Klingons at the Star Trek Exhibition
